

Heavy Duty Buckets

PSM LLC Heavy Duty Buckets are available in a variety of styles, widths and capacities.

PSM LLC has bucket designs for excavators weighing between 1,600 lbs and 250,000 lbs.

The Series II design has proven itself reliable since its development in 1997. Built with both leading and cutting edges composed of T-1 Steel, this bucket provides you with the durability you need to work in a variety of applications. Customers can customize their buckets choosing teeth, adapters, lifting eyes and side cutters as manufacturing options.
