

# Concrete Cracker (GCC)

**POWER** *Series*

## FEATURES

- 1 Blade profile focuses force for optimal concrete processing and rebar cutting
- 2 Affordable bolt-on wear parts can be rotated, maximizing blade life and minimizing downtime
- 3 Extended chin blade aids in positioning concrete for processing
- 4 The GCC stands upright for easy attachment changes and convenient storage and transport
- 5 Shrouded heavy-duty pivot design provides structural strength and long-term durability
- 6 Common pivot group and pinning points accommodate the full line of Power Series Linkage tools with one stiff arm - the mounting pad remains in place
- 7 Stiff arm and mounting pad included

## APPLICATIONS

- Scrap Processing
- Demolition
- C&D Processing
- Concrete Recycling

| Model         | Weight*<br>(lbs.) | Jaw Opening**<br>(ins.) | Excavator Weight<br>(lbs.) |
|---------------|-------------------|-------------------------|----------------------------|
| <b>GCC 50</b> | 4,400             | 29                      | 40,000 - 60,000            |
| <b>GCC 70</b> | 4,990             | 32                      | 60,000 - 80,000            |
| <b>GCC 90</b> | 5,170             | 36                      | 80,000 - 110,000           |

\*Weight includes mounting bracket and stiff arm.

\*\*Jaw opening varies slightly depending on excavator mounting location.

Genesis linkage attachments are not compatible with quick couplers. Contact Genesis for more information.

All Genesis Concrete Crackers are covered by a 12-month, 1,500-hour (whichever occurs first) warranty.

Genesis reserves the right to continually make product improvements designed to positively enhance performance.
